

# ML interactive kiosk 715W with 32" touchscreen

Touchscreen infokiosk for 24 x 7 unattended or unsupervised self-service use without the presence of a customer service representative. Infokiosk 715W is an optimal replacement for a non-digital noticeboard. ML 715W is widely used in schools as an interactive timetable.

## FEATURES

- Commercial-grade 32" touchscreen
- Brushed Stainless steel finish housing
- Secure lockable chassis with measures 751 x 579 x 64 mm
- Intel® NUC PC module with Intel® Core™ i3 and i5 Processors
- Low power consumption (less than 100 W)
- Special kiosk software Sitekiosk and virtual keyboard

## OPTIONAL FEATURES

- **Touchscreen.** 32" FullHD (1980 x 1080) commercial-grade touchscreen. Possible to order with different touchscreen technology – PCAP or infrared touch sensors.
- **Branding.** Lot of options to meet your brand style design – custom colours, custom labelling with optional details.
- **Connectivity.** Optional wireless network connectivity options (WiFi, LTE) with vandal proof external antenna to provide kiosk connectivity in all possible locations.
- **Computer.** Intel® NUC computer module ensures smooth smooth and fast user experience for detail rich graphics. PC can be configured to meet performance requirements set by application used.
- **Kiosk software.** Sitekiosk software for operating and maintaining public access kiosks with virtual on-screen keyboard.
- **Kiosk monitoring.** Siteremote running in Cloud (SaaS) or on own server (license) for remote administration and maintenance of kiosk systems and digital signage displays
- **Security.** The housing is suited for unattended self-service. Housing is securely lockable with single key.
- **Optional devices.** This model can be equipped with RFID, 2D/3D, scanner, smart card reader or other devices at request.

## ABOUT US

We are in kiosk production from 1999. Our production and product development process is certified to meet ISO 9001:2015 requirements. We are proud to design our kiosks in-house keeping in mind both aesthetic and functionality.
